

B&M Finishers, Inc. Receives Nadcap Accreditation for Chemical Process

Nadcap recognizes B&M Finishers, Inc. for its commitment to continual improvement in aerospace quality

B&M Finishers, Inc. announces that it has received Nadcap accreditation for Chemical Processing

“Servicing your anodizing needs for over 55 years”

B&M Finishers, Inc. received Nadcap accreditation for demonstrating their ongoing commitment to quality by satisfying customer requirements and industry specifications.

“Achieving Nadcap accreditation is not easy: it is one of the ways in which the aerospace industry identifies those who excel at manufacturing quality product through superior special processes. Companies such as B&M Finishers, Inc. work hard to obtain this status and they should be justifiably proud of it,” said Joe Pinto, Vice President and Chief Operating Officer at the Performance Review Institute. “PRI is proud to support continual improvement in the aerospace industry by helping companies such as B&M Finishers, Inc. be successful and we look forward to continuing to assist the industry moving forward.”
